ARAUJO UNIVERSITY

Semi-detailed Lesson Plan in Cell Biology

I. Objectives:

- At the end of the 90-minute discussion, the students should be able to:
 - determine the parts of the cell membrane and the cell wall;
 - describe the cell wall and cell membrane's structure and function; and
 - state the importance of selecting people who will enter and influence our lives.

B. Subject Matter:

- A. Topic: Cell Membrane and Cell Wall

- B. Reference: whizkids.com/education/faculty/table.html

- C. Materials: PowerPoint Presentation, Illustration boards

III. Procedure:

A. Nomenclature Activities

- 1. Greetings

- 2. Classroom Management

- 3. Prayer

- 4. Covering or Introduction

- 5. Riddle/Question of the Day

- 6. Drill

B. Scrabble Cell

The class will be divided into two groups and shall pick a representative.

Scrambled letters will be flashed on the screen and the students should guess what term is it. Answers shall be written on the illustration boards given. The group with the highest point wins.
